30 Sherwood Lane, Unit 9  
Fairfield, NJ 07004

Dear Bill:

The industrial shelving you donated to Touch the World has worked out perfectly – thank you!

Because of your generous gift we were able to set-up our new eBay store in the basement of Holy Grounds Coffee Lounge. The proceeds raised through the sale of people's unwanted "treasures" are being used to support Touch the World's school in Juarez, Mexico.

There are currently 100 young people, in grades K-5, being educated in Colegio James R. Ganley who would not have had the opportunity before. I've enclosed a picture of a few of the children – you can see for yourself how happy they are!

Once again, thank you for making the inventory of our eBay store, ShopTTW, much easier to work with.

Very truly,
